

# THE FIREPLACE DOCTOR

PREMIUM FIREPLACE SERVICE • TRANSPARENT PRICING

**YOU DESERVE THE BEST DON'T SETTLE FOR LESS**

GAS FIREPLACES SHOULD BE SERVICED EVERY 2-4 YEARS FOR SAFE & EFFICIENT OPERATION

## SERVICE

**Nurse Nancy** is the center of our communications hub. She answers our phones, performs triage then schedules your house call to ensure upon arrival we are prepared to fix your fire. We stock most common service parts on our trucks so we can avoid delays in service and time-consuming return trips.

## EXPERIENCE

**Dr. Dave** has *40 years* of electro-mechanical diagnostic & repair servicing, gas fireplaces exclusively for the past 24 years. We have assembled an expansive resource network to ensure we provide the right answers.

## SAFETY

We check all seals, gaskets, connections, and safety functions to be sure there are no gases leaking into your home....

*CO DETECTORS RECOMMENDED*

## PERFORMANCE

**With our Repair and Renew packages:** we remove, inspect, and adjust all the structural and decorative components of the firebox. We loosen seized nuts, bolts, screws, and clips to assure your fireplace will be easier and more affordable to repair in the future. We fully clean, adjust, reset, and renew your fireplace to the manufacturer's recommended specifications. Cleaning the blower, control & convection chambers, insures a healthier air Circulation. Finally, we inspect and clean your glass assembly with a special process and polish to achieve the best view of your flames.

**WE OFFER FOLLOW UP MAINTENANCE SERVICE  
DISCOUNTS FOR MULTIPLE FIREPLACES**
